Rth Hans Pfarr
PolioPlus Coordinator
Federal Republic of Germany

Dear Hans,

It is with pleasure that I must acknowledge with gratitude, once again, that you have come to our aid when we need it most. I was informed by Nicole Kreamer of PolioPlus Partners that your foundation the RDG has been very successful under your able leadership to collect and send the sum of USD 74241.18 to the PPP at RI Headquarters, which will be used by us here.

We are always amazed, heartened and grateful that people can open their hearts, and their pockets too, without even knowing who is going to benefit. Your efforts in this endeavor is very remarkable, and they have always paid off. Without knowing, all those who have contributed receive the blessings from those who benefit, and the anonymity of the act makes the gesture worthwhile.

On behalf of us all here in Benin, and the Rotary world, and especially the children, let me thank you, and through you, thank the German Rotarians and the Foundation for having contributed in your own way towards a polio Free world.

A group of German Rotarians will be visiting Benin in December and it will be a pleasure to have them participate in the distribution of some of the Social Mobilisation iteams during the fourth round of the NID. They will be sent to you also to show to your generous members.

While thanking you once again, I remain

Yours most sincerely
